Our programs strive to provide a safe, balanced, and consistent environment for children by developing physical skills, coordination, positive self image through participation and achievement, and providing quality recreation that enhances children's leisure time.

## **LICENSING**

## PROGRAM DESCRIPTIONS

**BEFORE SCHOOL PROGRAM:** Current research shows that students should not become too involved in structured activities before their school day begins. Our programs offer quiet, low-key, and free play activities to begin their days that include, but are not limited to, coloring, small crafts, and board games. When the school day begins, students are released to their individual classrooms when the first bell rings.

**AFTER SCHOOL PROGRAM:** After school, more structured activities are planned for the students. Students choose from a variety of activities including, but not limited to, sports, games, and arts and crafts. There is a designated area and time at each location where children can do homework and read each day. No child is required to take part in the planned activities, but active participation is encouraged. All children must be signed out by an approved parent or guardian each day before leaving the school.

**SNACK TIME:** A snack is provided each afternoon. The snack menu food is approved by the Office of Child Care as part of our licensing requirements. A monthly menu will be posted at each site.

## ELIGIBILITY

Children in Pre-Kindergarten through Grade 5 are eligible to attend the elementary school program, both before and after care.

Children must be 4 years old by September 1st of the current school year.

Children must be toilet trained.

Your child must be able to be ***self-directed*** in the restroom and to be able care for their own hygiene needs.

**Every child must have all of the State mandated forms completed and on file at the center prior to their first day. All of these forms can be found at <https://www.annapolis.gov/379/Child-Care-Forms>**

***\*No one will be permitted to attend without this information on file\****

## REGISTRATION INFORMATION

Registration begins in April of each year for the following fall school year. Enrollment is accepted throughout the school year when space is available. To be accepted into the program, all required child care forms must be complete and fees paid.

All registration is done through the Department’s main office at the “Pip” Moyer Recreation Center located at 273 Hilltop Lane, Annapolis, MD 21403, (phone 410-263-7958.) All registration materials can be obtained at PMRC or downloaded from our website at <https://www.annapolis.gov/372/Child-Care-In-the-Schools>.

## **TOYS AND GAMES**

Children are **not permitted** to bring toys, games, collectible cards, electronics, CDs, CD players, Game Boys, Tablets, iPods, MP3 Players, etc. from home to the center.

The Child Care program is not responsible for money, cell phones or other personal items your child may bring to the program.

Children may not use, activate or display their cell phone during child care hours unless approved by the Center's Director.

## SIGN IN / SIGN OUT

**Parents must go into the building to sign their child in for the morning program and out at the time of pick up each afternoon.**

Children are not permitted to sign themselves in and out of the program unless there is a completed and signed *Permission to Walk Home* letter.

Furthermore, children will not be permitted to walk home based on staff receiving a phone call from the parent. We must have the specific date and time in writing on file at the center prior to releasing the child to walk home.

The Child Care staff will not accept children into the morning program if the building is inaccessible, utilities not available, etc. Parents may be requested to stay with their child until building access status is determined.

No child will be released to a person other than the authorized individual without prior written permission from the child's parent or guardian. This policy must be strictly adhered to for the protection and safety of your child.

Please be advised that any person unknown to the staff will be asked to provide a photo ID before your child is released to their care.

Notify the Child Care staff of any changes in pick up schedules.

## ATTENDANCE

The Center Director at each location is responsible for maintaining an accurate attendance record for the children.

MSDE-OCC regulations mandate that children who are absent from the program due to illness for three (3) days or more must have a written statement from a parent or physician that the child may return to a regular schedule. A copy of the note sent to the school is sufficient.

- **MORNING ATTENDANCE:**
  - During the morning program, it is not necessary to contact the center staff on a daily basis to report if they are not attending the program.
  - It is your child's responsibility to walk from the child care space to their classroom each morning when the dismissal bell rings.
- **AFTERNOON ATTENDANCE:**
  - During the afternoon program, knowledge of your child's whereabouts is **crucial**.
  - Please assist us by informing the center staff of the occasions that your child will not be attending their regular afternoon program. You may leave a voicemail at the center phone number (the center staff checks voicemail when they arrive each day to prepare for the afternoon program). Please do **not** rely upon a note to your child's teacher to inform the child care staff of an afternoon absence. Due to the fact that the child care programs operate as a separate entity within the school building, the note may never reach our staff.
  - It is your child's responsibility to walk to the child care space each day when the dismissal bell rings. It is crucial that parents communicate with their child's teacher (i.e. send a note) when your child begins attending Child Care in the afternoons so that the teacher does not place them in the bus line.
  - Child Care students must report to the program to sign in before going to any school program or other activity.
  - Please also be aware that the center staff must follow the dismissal procedures their individual school has in place.

- If a child does not report to Child Care, attempts will be made through the school office to see if the child attended school that day, was dismissed early, or is attending another after school activity.
- If the absence from the program is unexplained, an effort will be made to contact the parents or the specified adult(s) listed on the *Emergency Form*.
- If you do not respond to our calls, the school office will be contacted and we will follow our emergency plan in conjunction with the school. *Please be aware that this may include contacting 911 in order to locate your child.*

If your child is suspended from school, he/she may not attend Child Care.

**Please make sure that the information on your emergency card is kept current.**

## **LATE PICK-UP POLICY**

Our child care program closes at **6:00 PM**. The center/school clock is the official time.

A late pick up fee will be assessed at the rate of **\$1.00, per child, for every minute after 6:00 PM**.

If your child is not picked up by 6:30 PM the staff will contact the appropriate agency that will then take the required action.

If lateness occurs more than three times, you may be dismissed from the program.

## **SCHOOL CALENDAR**

Due to the fact that we utilize space in the school buildings, the child care programs follow the school calendar for openings and closures. Visit the Anne Arundel County Board of Education's website for the most up-to-date school calendar at [www.aacps.org](http://www.aacps.org).

## CHANGES IN SCHOOL DAY SCHEDULES

**SCHEDULED EARLY DISMISSAL DAYS:** The Anne Arundel County Public School System schedules several days each year for early dismissal for students. On these days, the Child Care program will be open from the end of the school day (early dismissal time) until 6:00 PM. There will be no additional fee for this service.

**SCHEDULED SCHOOL HOLIDAYS:** There will be **NO** Child Care programs available on school holidays or any other planned non-school days. However, please be aware that Annapolis Recreation and Parks does offer a recreation program called “Kids Day In” at the “Pip” Moyer Recreation Center on 273 Hilltop Lane, Annapolis, MD 21403 on many of the non-school days. The Administrative Office will share a flyer and registration information with you at the start of the school year in regard to the fees, dates, times, locations, and registration process for these additional care opportunities offered through our Department.

**EMERGENCY (INCLUDING WEATHER) CLOSINGS FOR THE ENTIRE DAY:** There will be **NO** Child Care programs in the event of an emergency or weather related closure. The emergency closing is determined by the Board of Education and may be related to inclement weather, mechanical malfunction or other emergency situation. If school closes early for any reason, and all after school activities are canceled, there will be **NO PM** Child Care that day.

**2 HOUR DELAYED OPENINGS:** Our Child Care Program **WILL** run on 2 hour delayed opening days, at a 2 hour later time. Normal 7:00 AM start time will move back to 9:00 AM start time through when school begins that day.

Please make sure that both the Child Care **Emergency Card** and the **School’s Emergency Notification Card** are updated as needed throughout the school year.

**Child Care cannot be listed as your alternate care in an emergency situation on the school’s Emergency Notification Card.**

## EMERGENCY DRILLS

Center staff receives Emergency Preparedness training along with a manual that outlines the steps to be followed in various emergency situations.

Each center also has a designated nearby location in the event a center is required to be evacuated. The location is posted at the Parent Information Center.

The centers will practice monthly fire drills. To maintain consistency with the children, the Child Care programs follow the same emergency code terminology as the Board of Education.

If you should arrive to pick-up your child in the midst of a drill, please allow the staff time to account for all of the children prior to signing your child out for the day.

**Emergency Evacuation Drill:** Staff will practice evacuating the children to their meeting location outside the building. Each individual child care center will notify parents in advance of the date and time of the drill. Parents that do not wish their child/ren to participate in this event must provide alternative child care arrangements for the day.

**Shelter-in-Place:** Staff will evacuate children to their designated shelter-in-place location within the school building.

## ILLNESS

Children who are ill are not permitted to attend the program.

Children who are too ill to attend school are too ill to attend the Child Care program.

In the event your child becomes ill during our program, or is in the school's health suite at dismissal time, every attempt will be made to contact you or the person

listed as the emergency contact. Until picked up, the child will be kept away from the other children.

Children with special medical needs must have a plan (i.e. *Asthma Action Plan*, *Severe Allergy Action Plan*) on file with the Center Director.

The Health Department requires that you notify the child care staff in the event your child contracts a communicable disease. Please refer to [www.aahealth.org/communicable-diseases-immunizations/](http://www.aahealth.org/communicable-diseases-immunizations/) for details. Some examples for notification are conjunctivitis, impetigo, or ringworm. The child care staff is likewise responsible to report certain outbreaks to the Health Department. Some examples of reportable outbreaks include encephalitis, rabies, or West Nile virus.

MSDE-OCC regulations mandate that children who are absent from the program due to illness for three (3) days or more must have a written statement from a physician that the child may return to a regular schedule. A copy of the note sent to the school is sufficient.

If your child repeatedly displays symptoms that prevent him/her from participating in program activities, or if in the opinion of the Center Director, your child may be contagious to others, your child may be excluded from the program and a doctor's note may be requested before he/she may return to the program.

If a staff member contacts you to inform you that your child is ill and that your child must be picked up, you must make arrangements for your child to be picked up from the center in a timely manner.

## INJURY

The staff are required to complete an *Incident Report* in the event a child is injured. Parents will receive a copy of this report.

You will be contacted by phone if your child sustains any type of injury requiring possible additional **medical** attention during our program.

A parent must be available in case of emergency.

In the event of a serious injury, 911 will be called and then parents or other authorized individuals will be contacted.

## **BEHAVIOR MANAGEMENT PROGRAM**

The program staff utilizes positive behavior techniques to eliminate or prevent inappropriate behavior.

Each center also incorporates a positive behavior management program into their daily routine.

Under no circumstances should a parent attempt to discipline a child other than their own during the child care program.

Staff will carry out all discipline and all concerns should be brought to the attention of the Center Director.

Parents are not permitted to have physical contact with children other than their own.

While we do allow parents to come into the center to pick up or drop off their children, and to on occasion observe the activities in the center, it is the role of our staff (rather than parents) to direct the activities of the center and to address the needs of children attending the program.

## **PARTICIPANT ATTIRE**

Children must be appropriately dressed for the weather. Maryland child care regulations require child care facilities to utilize outdoor play areas even during colder weather. Your child must be sent with a coat, hat, and gloves as necessary.

## DISCIPLINE POLICY

**Mission:** To make the child care center a safe and happy place for all children and staff.

**Policy:** Methods of re-direction to include the following:

- **Positive Reinforcement** – encouragement of rules, respect of self, others, and property
- **Time Out** – one minute per age of the child.
  - Time to think and cool off
  - Discussion with teacher positive behavior choices to avoid time out vs. negative behavior and consequences of choice.
- **Re-Direction** – encourage the child's interest in another direction to avoid power struggles
- **Mediation** – teacher mediates situation between two or more children to try and teach problem solving skills through words, not negative behavior

**Continued Bad Behavior:** disruptive, abusive, or dangerous to others

- Step 1 – conference with parent, child, and teacher
- Step 2 – if unresolved via Step 1, child suspended for 2 days
- Step 3 – if unresolved via Steps 1 & 2, child suspended for 5 days
- Step 4 – if unresolved via Steps 1, 2, & 3, permanent expulsion may occur

## PARENT COMMUNICATIONS

Communication between parents and the center staff is a key ingredient to the success of our programs.

Each month, parents will receive a newsletter to keep them informed.

Please feel free to contact the center's Director with any questions or concerns throughout the program.

## INCLUSION POLICY

Annapolis Recreation and Parks Child Care Programs strive to meet the needs of all our children. We encourage play and activities for the children on a daily basis. We understand that each child may have different individual needs; therefore, we are requesting that parents provide their children's most current IEP documentation so that all children can receive the best opportunities available.
